Second Sunday in Ordinary Time (Year C)

Jesus did this as the beginning of his signs at Cana in Galilee and so revealed his glory, and his disciples began to believe in him. John 2:11

The first of seven signs Jesus performs in John's Gospel is the changing of water into wine at the Wedding of Cana, which was done in superabundance! The six stone jars, filled to the brim with water, were transformed into as much as 180 gallons of the finest wine. The changing of water into wine was done at the request of Jesus' mother, who told the servants to do whatever Jesus told them to do.

There is certainly much to ponder in this incredible miracle. One specific thing to consider, as we begin reading the first of these signs, is that Jesus uses His miracles to prepare His disciples for the "hour" of grace and glory that is to come. And though the hour of Jesus has already taken place in time, it's important to understand that each one of us needs to go through the process of preparing for that hour in our own lives. We must let Christ continuously prepare us for the hour of glory by which we receive Him and all the grace He won for us on the Cross. This preparation will take place in our lives, just as it was presented in John's Gospel. Jesus' seven signs, His miraculous actions, were performed to prepare His disciples to receive all that He bestowed on the Cross. We must not only prayerfully reflect upon these signs as recorded by John throughout the year, we must also look for the many personal signs that our Lord gives to each one of us.
