ALL SOULS DAY - SUNDAY, NOVEMBER 2

"For this is the will of my Father, that everyone who sees the Son and believes in him may have eternal life, and I shall raise him on the last day." John 6:40

Yesterday's Solemnity of All Saints gave us an opportunity to celebrate and rejoice in the fact that there are countless people who have gone before us who are now enjoying the glories of Heaven. These faithful souls lived lives that were grounded in God's grace and have been fully purified of all sin. They now gaze at our good God face-to-face.

Today, we commemorate the fact that many who die in a state of grace are not immediately ready to stand before the glorious throne of God and see Him face-to-face. The only way this is possible is if every sin and every attachment to sin is purged from our souls. We must have nothing but pure charity alive within us if we are to enter the eternal glories of Heaven. But how many people die in such a state?

The Church, in her wisdom and holiness, has taught clearly through the centuries that when a person passes from this world to the next while still attached to less serious sin, they need to be fully purified in order to enter Heaven. This is Purgatory. The *Catechism of the Catholic Church* states: "All who die in God's grace and friendship, but still imperfectly purified, are indeed assured of their eternal salvation; but after death they undergo purification, so as to achieve the holiness necessary to enter the joy of heaven. The Church gives the name Purgatory to this final purification of the elect, which is entirely different from the punishment of the damned" (#1030–31a).

Reflect, today, upon the spiritual truth that God wants you to be a saint. If you are among those few who die in a state in which you are purified from every sin, then be assured that you have already completed your purgatory on earth. But if you or your loved ones are among the many who still hold some minor attachment to sin at the time of death, then rejoice that God is not done with you yet. Anticipate with much gratitude the final purification that awaits and look forward to the freedom that ultimately comes from that purification.
