### Feast of the Dedication of the Lateran Basilica

We celebrate, today, the Lateran Basilica in Rome, the mother church of the entire Roman Catholic Church. It was given to the Bishop of Rome in the fourth century and remained the pope's primary residence until the building of St. Peter's Basilica, at a time when the Lateran Basilica was falling into ruins. However, the Lateran Basilica to this day remains the most important Church in the world, since it is officially the Cathedral Church of Rome.

The Basilica of St. John Lateran is the cathedral where the pope presides as bishop of Rome. In a sense, we celebrate it today as the home parish of all Catholics. This magnificent building, as well as every church great and small, is a sacred and symbolic dwelling place of God among us. The People of God who are the Church are the living temples where he chooses to dwell. St. Augustine reminds us that all who believe in Christ are truly built into the house of the Lord when they are fitted together through love.

As we honor this church, we honor more than a building. The Lateran Basilica is a symbol of the one true Church of Jesus Christ. Its interior is beautiful and awe-inspiring so as to point us to the unimaginable beauty of the Church Herself, which is the Mystical Body of Christ.

Our goal this year is \$100,000. To date we have achieved \$90,215.23. Please give at the parish using a ShareLife envelope, online through our parish website, or at [sharelife.org/donate](https://sharelife.org/donate).
